No Travel Advisory lifted but Travel Alert in effect for I-29 from Grand Forks to Canadian border due to fires along interstate

The North Dakota Department of Transportation (NDDOT) along with the North Dakota Highway Patrol have **LIFTED** the **No Travel Advisory** for I-29 from exit 145 in Grand Forks to the Canadian border as crews have fires in the area under control, but a **Travel Alert** is in effect. Fire crews are monitoring hotspots in the area and motorists can still travel but should be advised that there is a potential for fires to ignite in this area causing reduced visibility due to smoke.

For road information, call 511 from any type of phone or go to the website:
<http://www.dot.nd.gov/travel-info-v2/>.

For additional information on fire danger across the state and current Fire Declarations go to Department of Emergency Services at <http://www.nd.gov/des/>. National Weather Service fire weather forecasts are available at the National Weather Service Regional Offices at <http://www.weather.gov/fgf/> and <http://www.weather.gov/bis/>.
